## **Bio**

Ray Easter has performed in cities across the country from New York to Los Angeles, bringing his smart, witty comedy to bars, colleges, and clubs along the way. His relatable, accessible comedy appeals to a wide array of audiences providing him with consistent on-stage success. Ray will also be featured on season 2 of Laugh After Dark on Amazon Prime.

Raised a military brat, Ray was born in Syracuse, NY, and spent his teen years in the D.C. metro area. After wrapping up college at Virginia State University, he started performing in 2012. From an early age, Ray was inspired by the observational style of comedy greats like Dave Chappelle, Chris Rock, Bill Burr, and Jerry Seinfeld. Today, he is proud to have worked with prominent comics such as Tony Woods, Eddie Pepitone, Ruben Paul, and Adam Ray.
